SETTLEMENT DISCUSSIONS/ATTORNEY WORK PRODUCT

DRAFT

I understand that the Attorney General's Office and the State Inspector General's Office are conducting inquiries into two sets of allegations: (1) that Senator Bruno used State aircraft and vehicles for political purposes; and (2) that the Governor's Office had targeted Senator Bruno for State Police surveillance.

I sought information that I believed that the public had a right to know relating to Senator Bruno's usage of State aircraft. All of my actions were legal. Although I never directed the State Police to conduct a "surveillance" program on Senator Bruno, I did receive from William Howard information relating to Senator Bruno's travels generated by the State Police. I fully recognize that any requests for State Police records relating to those travels should have been handled through other channels, and I regret the appearance of impropriety that was created by the manner in which this information was sought and obtained.
