Leslie from Senator Bruno's office called for transportation arrangements:
For Thurs., May 3 and Fri. May 4th. He will arrive by helicopter at West 30th about 2:00 p.m. with 3 staff members and needs to go to the Sheridan at 7th and 52nd. He'll be there during the evening and then will need to leave the Sheridan at 8:30 a.m. to arrive at Aqueduct and stay for about 90 minutes and then on to LaGuardia to leave for Albany.
