Not a good idea. The IG can only investigate the State Police, and see if they were somehow complicit in this.

Do they want it referred to the IG, or do they want it referred to SOMEBODY? (Also, why not Morganthau?)

IG does not have jurisdiction over legislators. DA Soares would be the one to look into it. (Or Morganthau, since the trips were in Manhattan as well.)

I'll check on the private EMT issue.

I'm stuck on the Bruno thing. Trust your judgment completely on NYRA. Whatever you want to do.

Re Bruno, can we refer to IG tomorrow?

Also, are you vetoing the Private EMTs bill? Has to do with 9-11 guys.

I still need to discuss this with you. Can you take a look at the statement that I circulated yesterday and give me a call?

Thanks.
