I think mcmanus had written edit before i had mtg on friday, but i agree. Although they modulate a bit. Col allen essebntially said they uswe trheir paper as a club. Subtlety is not their wrld view. At end, who cares. Substance trumps. We will discuss all this tuesday. I presume the bruno story runs tmrw. Enjoying lake george?

Post this morning really shows extent to which anything you do is just an excuse for them to take shots at you.

We will talk tuesday abt rupert mtg, which was really good, but i think dicker and mcmanus are the problems. They are mindlessly rabid. But in long run who cares. I also want to discuss a post-session strategy re bruno and travel generally.

He's pushing Steve G to do poll on Spitzer-Bloomberg matchup. Not about issues or progress with him. Just wants crap to write about.
